# Lab 2018 Christmas party CRG

## Across

4. lab trash
5. a dreaded word in bloodbank
8. redraw the sample is ...
12. what kind of sample has been brought into the OP lab in an old peanutbutter jar
15. component of blood
16. right now!
18. Phlebotomists love to find them.
19. our colour is blue

20. a little lab "gift"

21. what sample drop off makes men blush

22. we have parts, without the person.

## Down

1. it has wings
2. round and round it goes
3. a stickler department
6. when you need it, make sure its right for you
7. all the better to see you

9. the department that deals with red and white

10. dose perfectly flat icepacks effect the samples being shipped out?

11. not a type of tv

13. not your average Q-tip

14. the "pee" bench

17. we cant live without it
