Australian Legal System

Across

2. The system of rules that Australia recognises as regulating the actions of its citizens, which it may enforce by the imposition of penalties and sanctions

4. Laws made by parliament

6. The type of law which protects us and punishes offenders

7. A proposed law that has not yet been agreed to by parliament or received royal assent

10. A legal principle developed by a court in the process of resolving a dispute

12. Law developed by judges through the decisions of courts

13. A law made by Parliament

Down

1. Guidelines for behaviour developed by Aboriginal and Torres Strait Islander peoples

3. A court official who hears cases in the lowest court in the legal system

5. The person who commences a legal action in civil law

8. Refers to laws that have been collected and organised, usually in written form

9. The party in a civil or criminal trial against whom an action has been brought

11. The type of law which protects our rights and property
