# Unit 1 Vocabulary

## Across

- 3.** The style of theatre where the audience is on one side; the professional acting building.
- 8.** The tunnel-like hallways through which the audience enters the house.
- 11.** The words a character will speak in a play.
- 12.** The area of the stage furthest from the audience.
- 14.** Lines between two or more characters.
- 15.** A style of theatre where the audience completely surrounds the stage.

- 17.** The curtains on either side of the stage.

- 18.** A style of theatre where the audience is on three sides of the stage.

## Down

- 1.** A style of theatre where the audience and stage can be moved around; flexible.
- 2.** A very long line spoken by one character.
- 4.** The area of the stage closest to the audience.
- 5.** The portion of a script which tells the actors what to do; in italics.

- 6.** The system of bars which supports the curtains, scenery, and lights.

- 7.** The offstage area directly behind the back curtain.

- 9.** The 'building' where the audience sits.

- 10.** The offstage areas on either side of the stage.

- 13.** The person who wrote the play.

- 16.** The portion of the stage which is visible when the front curtain is closed.
