# MOTIVATION

## **Across**

**6.** want to complete work as quickly as possible with as little work as possible.

**8.** an object or event that encourages or discourages behavior.

**9.** motivations associated with activities that are their own reward.

**10.** is working for a longer time despite failures.

## **Down**

**1.** students that believe their failures are due to low ability and there is little they can do about it.

**2.** motivations created by external factors such as rewards and punishments.

**3.** general uneasiness, feeling of tension, or feeling of self-doubt.

**4.** is the expectation based on previous experiences that all one's efforts will lead to failure.

**5.** the reason or reasons one has for acting or behaving in a particular way.

**7.** an attractive object or event supplied because of a behavior.
