

Name: _____

social clock

Across

- 2.** Deciding who to be with, or to go, and what to do without being concerned about parental restrictions.
- 10.** The ability to reason speedily and abstractly.
- 12.** When the menstrual cycle ends
- 13.** Marked by moving from place to place; the frequent moves usually end once a career or a family is in place.

Down

- 1.** A period from the late teens to the mid twenties, bridging the gap between adolescent dependence and full independence.
- 3.** Accumulated knowledge and verbal skills.
- 4.** Mental disintegration that accompanies alcoholism, tumor, stroke, aging, and, most often, Alzheimer's disease.
- 5.** A progressive and irreversible brain disorder characterized by gradual deterioration of memory, reasoning, language, and, finally, physical functioning.

- 6.** The culturally preferred timing of social events such as marriage, parenthood, and retirement.
- 7.** Refers to any significant alteration over time in behavior patterns and cultural values and norms
- 8.** The process of deciding who you are and what you would like to get out of school, love, and work.
- 9.** Having attained full size and strength; grown up; mature
- 11.** The length of time during which a being or thing has existed; length of life or existence to the time spoken of or referred to
