

# Dissolution of Marriage

**Across**

- 3.** A partial dissolution of marriage in which the spouses live separate and apart.
- 5.** A voluntary conflict-resolution process.
- 6.** Outlines the grounds for the divorce and other essential information.
- 7.** The care and control of a child awarded by court.

**9.** Non-custodial parent’s right to information and visitation with the child.

**10.** A court order stating that two spouses were never legally married.

**Down**

- 1.** The spouse initiating a divorce action.
- 2.** The care and control of a child shared by both parents.
- 4.** The spouse being sued for divorce.
- 8.** Last step in ending a marriage.
