

# "Love in the Time of Coronavirus"

## Across

5. You must wear these on the bus or the train.

7. When we all have to stay in.

9. Too many bananas! What can we make?

11. Playgrounds are shut - but you can go on these.

12. People who keep us fed, safe and the streets clean.

14. We look forward to when we can share these again!

15. This is not an ordinary bacteria.

16. We stay in these when we are in school!

## Down

1. The name of the virus

2. Scientists (helped by William) are looking at these to stop the disease

3. We clap for them.

4. It takes 20 seconds and "Happy Birthday"!

6. These show us we have been poorly and might make us safe.

8. Living at a historic time, like in 1918.

10. They are working hard to make people well again.

13. This makes us think of the NHS and happy times.
