# Sayings Coined by Shakespeare

all that glitters is not gold  
play fast and loose  
the game is afoot  
good riddance  
heart of gold  
catch a cold

wear my heart upon my sleeve  
kill with kindness  
forever and a day  
love is blind  
crack of doom  
cold comfort

Refuse to Budge an inch  
dead as a doornail  
wild-geese chase  
live long day  
Break the ice  
full circle
