The New Deal

Across

1. Served as the “watchdog” to protect people who invest money from stock market fraud, deception, and insider trading on Wall Street.
4. Restored competition, stopped prices and wages from going down. Organized fair trade codes.
7. Established minimum wage of 40 cents per hour and maximum workweek of 40 hours for businesses involved in interstate commerce or trade
8. Sent mostly young, unemployed men to work on conservation projects in rural areas for about \$1 per day.
10. Was the largest New Deal agency, which employed millions of people.

Down

2. This program paid farmers not to produce crops. It also paid them not to raise pigs and lambs.
3. Insures your money in banks.
5. Provided flood control, electricity, fertilizer, manufacturing, and economic development in Tennessee Valley
6. The Wagner Act helped to organize labor and collectively bargain
9. established programs to give assistance to the unemployed, dependent mothers, children, and the physically disabled. Today this covers 40 million Americans and accounts for ¼ of the federal budget.
