# Trench life

## Across

1. When the trench soldiers thought the war would end
3. Territory between opposing sides was called "no man's ...."
7. What kind of #9 across that ripped mens clothing
9. Weapons making it almost impossible to attack across "no mans land" (two words)
10. Almost as many solders died from this in the trenches as did wounds

13. Soldiers were never free from these pests in the trenches

14. Soldiers enjoyed writing and receiving these to and from loved ones at home

15. This was your constant companion or closest "friend"

## Down

2. What everyone in the trenches wanted to happen soon in the war

4. This was everywhere

5. Where all soldiers wanted to be after spending time in the trenches

6. What would likely happen to you if you put your head above the trench

8. These creatures filled trenches

11. Men suffered from this after being shelled for hours to days

12. Materials used to slow down the enemy's attack towards your trenches
