

Name: _____ Date: _____ Period: _____

Science Vocabulary Project

leeuwenhoek anton van
virchow rudolf
nucleic acids
mitochondria
chlorophyll
eukaryotic
organism
nucleus
lipids

schleiden matthias
photosynthesis
cell membrane
chloroplasts
cell theory
diffusion
molecule
vacuole
carbon

organic compound
multi-cellular
hooke robert
prokaryotic
unicellular
cytoplasm
proteins
element
cell

schwann theodor
carbohydrates
brown robert
chromosomes
organelles
cell wall
compound
living
DNA
