

# Labor and Wages

## Across

4. worst period of economic decline in U.S. history, lasting from approximately 1929 to 1939
5. demonstrate or march before a place of business to protest a company's actions or policies
8. court order issued to prevent a company or union from taking or not taking action during a labor dispute
9. temporary government takeover of a company to keep it running during a labor-management dispute
11. theory that employers are willing to pay more for people with certificates, diplomas, degrees, and other indicators of superior ability
13. wage rate leaving neither a surplus nor a shortage of workers in the market

14. provision in a contract outlining the way future disputes and grievance issues will be resolved
15. protest in the form of refusal to buy, including attempts to convince others to take their business elsewhere
16. process of resolving a dispute by bringing in a neutral third party to help both sides reach a compromise
17. arrangement under which workers must join a union after being hired
19. lowest legal wage that can be paid to most workers
20. union-organized work stoppage designed to gain concessions from an employer
21. agreement by two parties to place a dispute before a third party for a binding settlement; also called binding arbitration

## Down

1. labor union whose members perform the same kind of work; same as trade union
2. prevented or forbade
3. year serving as a point of comparison for other years in a price index or other statistical measure
6. seemingly invisible barrier hindering advancement of women and minorities in a white male-dominated organization
7. theory that employers are willing to pay more for people with certificates, diplomas, degrees, and other indicators of superior ability
10. length of time a person has been on a job
12. dollar amounts or prices that are not adjusted for inflation
18. wage, fringe benefit, or work rule given up when renegotiating a contract
