

Name: \_\_\_\_\_

# Urinary System

proximal convoluted tubule  
interstitial cystitis  
afferent arteriole  
Retroperitoneal  
loop of Henle  
filtration  
nephritis  
buffer  
ADH

distal convoluted tubule  
renal artery stenosis  
efferent arteriole  
bowman capsule  
Electrolytes  
renal vein  
bladder  
cortex

urinary tract infection  
renal kidney failure  
collecting duct  
kidney stones  
renal artery  
excretion  
medulla  
ureter
