

Name: \_\_\_\_\_ Date: \_\_\_\_\_ Period: \_\_\_\_\_

# Force and Motion and Energy Vocabulary

gravitational potential  
energy transfer  
time interval  
temerature  
advantage  
distance  
light  
rate

unbalanced forces  
elastic energy  
acceleration  
insulation  
inertia  
energy  
speed  
mass

potential energy  
nuclear energy  
disadvantage  
conductor  
friction  
newton  
force

balanced forces  
thermal energy  
deceleration  
net force  
evidence  
weight  
heat
