# Motion, Forces, and Energy Vocabulary

Elastic potential energy  
Sliding friction  
Kinetic energy  
Average speed  
Net force  
Weight  
Joule  
Mass

Mechanical energy  
Unbalanced force  
Air resistance  
Acceleration  
Friction  
Newton  
Force

Potential energy  
Static friction  
Fluid friction  
Projectile  
Velocity  
Motion  
Speed

Rolling friction  
Reference point  
Balanced force  
Free fall  
Gravity  
Power  
Work
