# Deviance and Social Control

## Across

5. A social condition in which norms are weak, conflicting, or absent
6. A repetition of, or return to, criminal behavior
8. An undesirable label used to deny a deviant acceptance
10. The theory that deviance is more likely to occur when a gap exists between cultural goals and the ability to achieve them
11. Punishment intended to make criminals pay monetary compensation to make up for the financial damage caused by their acts

12. Deviance that becomes a lifestyle and part of an individual's identity
13. Behavior that under-conforms to accepted norms
15. The theory the individuals learn deviance in proportion to the number of deviant acts and norms to which they are exposed
16. The process of reducing the seriousness of the crimes that injure people of a lower status

## Down

1. Rewards or punishments that encourage conformity to social norms

2. The theory that compliance with social norms requires strong bonds between individuals and society
3. Only occasional breaking of norms
4. Job-related crimes committed by high-status people
7. Behavior that over-conforms to social expectations
9. A person who breaks significant societal or group norms
14. Behavior that departs from societal or group norms
