# Bureaucracy

## Across

2. A large, complex organization comprised of appointed officials
3. The government offices to which people are appointed on the basis of merit, as ascertained by a written exam or by applying certain selection criteria
4. The extent to which appointed bureaucrats can choose courses of action and make policies that are not spelled out in advance by laws
6. A legislative grant of money to finance a government program or agency
8. Funds for government programs that are collected and spent outside the regular government budget

9. An economic theory that government should not regulate or interfere with commerce
10. Complex bureaucracy rules and procedures that must be followed to get something done

## Down

1. Legislative permission to begin or continue a government program or agency
5. A close relationship between an agency, a congressional committee, and an interest group
7. A job that is filled by a person whom an agency has already identified
