

Chapter 12 (New Exiles In Oklahoma)

Across

2. Public speech meant to persuade listeners
6. A deeply religious act
7. Term used to describe the migration of western and Southern Plains Indians to Oklahoma
8. The way people think about things, for example individual versus communal ownership
9. Person forced to leave his or her homeland
10. A spiritual tradition that uses peyote as part of a ritual for encountering the Suffering Savior

Down

1. Intense encounter between enemy forces with close fighting
3. Provisions of beef, flour, sugar, and other staples
4. Substance that when chewed or drunk in tea, produces a feeling of goodwill toward all humanity
5. Ritual that American Indian participants believed would one day help them to regain control of their lands and bring back the buffalo
