## Vocab Magician

| Exterior angle of a triangle | Alternate interior angles |
| :--- | :--- |
| Remote interior angle | Corresponding angles |
| Complementary angles | Center of rotation |
| Similar figures | Transformations |
| Translation | Transversal |
| Hypotenuse | Proportion |
| Alternate | Preimage |
| Rotation | Angle |

Alternate exterior angles
Similarity statement Line of reflection

Transformation
Equidistant
Congruent
Diagonal
Legs

Scale factor of dilation
Supplementary angles Vertical angles
Scale factor
