# College Life

## Across

2. I have days where I don't want to be this?  
 5. Everyone looks forward to this day.  
 9. Most motto's when it comes to writing a paper for class.  
 10. The one thing we all say we hate, but deep down we secretly love.  
 11. Most people do this before and after finals.  
 12. Paying for all of your bills without the help of parents.  
 13. What my cupboard consists of.

16. Spending hundreds of dollars on something you will rarely ever use.  
 17. Solution to getting multiple tickets  
 18. This will screw you over and make you hate you life.  
 19. Still wishing I lived with these people.  
 20. The one time throughout the year that we all look forward to.

## Down

1. This only cures your stress for the night.

3. These can be a burden and a blessing  
 4. The only way to survive college  
 6. I will accomplish this by the age of 85.  
 7. Staying up until bar time and not even being at a bar.  
 8. Waiting till the day before to do assignments.  
 14. The power it takes to work multiple jobs and go to school full time.  
 15. This will help those late night cramming sessions
