

# USH2: The Cold War Review

## Across

3. Controversial Cold War standoff between the US and USSR just off the coast of Florida. (3 words, no spaces)

6. This is what the US did to try to prevent Soviet ships from bringing nuclear weapons to Cuba.

8. The word used to describe how the Korean War ended.

9. Group known to refuse to cooperate with HUAC. (2 words, no spaces)

12. Soviet Satellite nation that asked for US assistance during the Cold War and was refused.

13. One of the two WWII meetings where Stalin made promises he later failed to keep, furthering American distrust of the Soviet Union.

14. Term used to describe the hysteria surrounding one senator's unsubstantiated claims that communists had infiltrated the US government.

18. The word used to describe the type of fighting that occurred in the Korean War (MacArthur opposed it). (2 words, no spaces)

20. The first satellite to orbit the earth (Soviet).

22. The US plan was designed to help Europe recover economically after WWII. (2 words, no spaces)

23. The term used to describe when a country puts a particular resource (oil, for example) under its own control (as opposed to the control of foreign corporations).

24. This law required people to register with the government if they were communists. (2 words, no spaces)

25. The failed attempt to overthrow Cuba's communist dictator, fidel castro (3 words, no spaces)

## Down

1. The name given to a series of nuclear weapons limitations treaties.

2. Famed WWII general responsible for US troops in the Korean War; fired by Truman for insubordination.

4. This Egyptian canal was a flashpoint during the Cold War that nearly brought many countries to war, but was ultimately resolved through the UN.

5. Word used to describe the practice of coming very close to actual war, but stopping short (Cuban Missile Crisis is a great example).

7. US Cold War policy of preventing the spread of communism (as opposed to ending it completely).

10. More powerful A-Bomb (\_\_\_\_\_-bomb)

11. Who the US supported as the leader in Iran.

15. This term describes the belief that when two (or more) parties have nuclear weapons, they will never be used. (abbreviation)

16. Congressional committee involved in hearings accusing Americans of communist connections. (abbreviation)

17. Country that was divided at the 38th parallel after WWII

19. The Arms Race revolved around which kind of weapon (predominantly)?

21. This couple was found guilty of giving US nuclear secrets to the Soviet Union in what is now considered an unfair trial.
