

Name: _____

Date: _____

Cardiovascular System

interventricular septum
superior vena cava
visceral layer
right atrium
pericardium
epicardium
systole
blood

atrioventricular valve
interatrial septum
parietal layer
blood vessel
capillaries
arterioles
venules
heart

pericardial activity
serous pericardium
cardiovascular
left atrium
tricuspid
diastole
plasma

inferior vena cava
right ventricle
cardiac cycle
endocardium
myocardium
arteries
veins
