# Ingredients for a smoothie

## Across

1. the round fruit of a tree of the rose family, which typically has thin green or red skin and crisp flesh.

3. large citrus fruit with a bitter yellow rind and inner skin and a highly flavored somewhat acid juicy pulp

4. a sweet soft red fruit with a seed-studded surface.

9. a berry (typically green, purple, or black) growing in clusters on a grapevine, eaten as fruit and used in making wine.

13. a long, green-skinned fruit with watery flesh, usually eaten raw in salads or pickled.

14. frozen water

16. a tapering orange-coloured root eaten as a vegetable

17. a fruit consisting of a hard or tough shell around an edible kernel.

18. any plant with leaves, seeds, or flowers used for flavouring food

19. a sweet, sticky yellowish-brown fluid made by bees

20. the unit of reproduction of a flowering plant, capable of developing into another such plant.

21. a juicy, soft fruit of an orange-yellow colour resembling a small peach

## Down

2. a sweet yellowish- or brownish-green edible fruit which is narrow at the stalk and wider towards the base.

5. is a dietary supplement that is made from one or more of four basic sources of protein

6. a small roundish juicy fruit without a stone.

7. a long curved fruit which has soft pulpy flesh and yellow skin

8. a semi-solid sourish food prepared from milk fermented by added bacteria.

10. the thick reddish or green leaf stalks of a cultivated plant of the dock family, which are eaten as a fruit after cooking.

11. a fleshy, oval, yellowish-red tropical fruit which is eaten ripe or used green for pickles or chutneys.

12. a small roundish juicy fruit without a stone.

15. the round fruit of a tree of the rose family, which typically has thin green or red skin and crisp flesh.
