Name: _____ Date: _____

Mock Trial Vocabulary 1

Across

5. Rise to your feet when I come in. Hears motions, makes rulings, determines sentencing and decides what evidence is admissable

6. I've got a job to do and I do it well whether I'm a medical examiner, forensic scientist, psychologist I tell the jury everything I know helping them make sense of the evidence I've analyzed.

8. Officer of the court. Keeps order, swears in witnesses, found in contempt he"ll take you to lockup

9. Sworn statement made by a witness and given in a court of law

10. You"lol never hear me speak....my computer keyboard does all the talking. Watch what you say in court ...I keep a record of everything.

Down

1. 12 citizens who get summoned to court. Throw in a few alternates in case someone gets sick. We'll hear the whole case, deliberate and decide the defendants fate.

2. Get sworn in. Tells the truth on the stand stating what they've seen. May need police protection if "snitches get stitches"

3. Jury has a noose around their neck. Can't make up their mind... guilty or not guilty?

4. The final decision in a case made by an impartial judge or 12 citizens. Ex. guilty!!!!

7. The jury pays close attention and deliberates based on me. The police are careful to collect and lock me in a safe place, protecting chain of custody. DNA, Blood, Murder Weapon are all examples of me. And if you're on camera....the jury will use me to find you GUILTY.
